Enterprise Connectivity with MIPv4 and MOBIKE – Update

Vijay Devarapalli

MIP4 WG, IETF 64

Status Update

- Version 01 of draft-devarapalli-mip4-mobike-connectivity submitted

- Reviews from Jari Arkko and TJ Kniveton

- Targeted to become a BCP

- Minor changes
  - Made it more explicit that this draft is only applicable when IKEv2 VPNs are used with MOBIKE support
  - IKEv1 mobility extensions removed
  - Some editorial fixes
