

# *DKIM Service Overview*

Tony Hansen  
Dave Crocker  
Phillip Hallam-Baker

3/10/2008

# Revamped

- DKIM Framework
  - Introduction, Goals, Function, Service Architecture
- -08 and -09 published since last IETF
- Restructured to read better

---

Who believes  
that we should  
move forward to  
publication at  
this time?

---

What concerns are there about publication?

# WG Last Call begins today

---

- Ends March 24
