CLUE Use Case

draft-ietf-clue-telepresence-use-cases-01

IETF-82

Roni Even - editor

Status

- No update since last meeting

- There were comments on the list from Christian and Stéphane Cazeaux that require update to the document.

  - Most of them clarifications and editorial changes.

  - No new use case.

- A new revision beginning 2012.

- The document will wait for the framework and requirements before sent to publication.
