draft-ietf-msec-gsakmp-sec-01.txt
What has changed?

– GSAKMP Light --> GSAKMP (announced in Atlanta)

- GSAKMP Light proposed in Sept 2001
    - Simpler than original
    - Equal functionality
    - Referenced original GSAKMP for payload definitions
- Requested GSAKMP original to become informational RFC MSEC WG November 2002
- MSEC WG requested that the "New" GSAKMP be a stand alone document

– GSAKMP document published recently is stand alone and is based on what had been called GSAKMP Light
