5<sup>th</sup> August 2005

# Objectives of the BOF

- Discuss the set up of a prospective MONAMI6 WG
  - Explain the motivations / need / scenarios
  - Explain the problem
  - Point out that there are existing solutions / implementations focused to the problem under consideration
  - Clarify interaction with other WGs
  - Go through the text of the proposed charter
  - Seek interest of the room

# Objectives of the BOF

- What we don't want to do
  - Discuss the technical aspects of load balancing, load sharing, multicasting,
  - Comparing a MIP6/NEMO-based approach vs a far end id/locator split approach
