ForCES WG Status

Forwarding and Control Element Separation

Jamal Hadi Salim <hadi@mojatatu.com>

Whither ForCES?

- Good progress for LFBLib
- Shutdown after the above work

Documents Need to be completed

- Formal definition of controlled objects (Proposed Standard)
  - Version 05 released July 2011
    - Lots of changes/feedback
- CE HA document
  - No change since IETF80
  - Hope to update after meeting
- Interop #2 draft
  - Version 02 released July 2011
  - Hope to wrap up after the meeting
